SPOTLIGHT: TUMBLE

From Penguin Random House:

Twelve-year-old Adela “Addie” Ramírez has a big decision to make when her stepfather proposes adoption. Addie loves Alex, the only father figure she’s ever known, but with a new half brother due in a few months and a big school theater performance on her mind, everything suddenly feels like it’s moving too fast. She has a million questions, and the first is about the young man in the photo she found hidden away in her mother’s things.

Celia C. Perez

Addie’s sleuthing takes her to a New Mexico ranch, and her world expands to include the legendary Bravos: Rosie and Pancho, her paternal grandparents and former professional wrestlers; Eva and Maggie, her older identical twin cousins who love to spar in and out of the ring; Uncle Mateo, whose lucha couture and advice are unmatched; and Manny, her biological father, who’s in the midst of a career comeback. As luchadores, the Bravos’s legacy is strong. But being part of a family is so much harder—it’s about showing up, taking off your mask, and working through challenges together.

SPOTLIGHT: GOBLIN MARKET

Minka has been bewitched and ensnared by a *zdusze*—a goblin. His plum was poison, his words are poison, and strange things begin to happen. Trees bleed, winds howl, a terrible sickness descends on Minka, and deep in the woods, in a place beyond sunshine, beyond reality, a wedding table has been laid. . .

To save her sister, Lizzie will have to find courage she never knew she had—courage to confront the impossible—and enter into a world of dreams, danger, and death.

From Penguin Random House:

Lizzie and Minka are sisters, but they're nothing alike: Minka is outgoing and cheerful, while Lizzie is shy and sensitive. Nothing much ever happens in their sleepy village—there are fields to tend, clothes to mend, and weekly trips to the market, predictable as the turning of the seasons. Lizzie likes it that way. It's safe. It's comfortable. She hopes nothing will ever change.

But one day, Minka meets a boy. A boy who gives her a plum to eat.

He is charming. He is handsome. He tells her that she's special. He tells her no one understands her like he does—not her parents, not her friends, not even Lizzie.

He tells her she should come away with him, into the darkness, into the forest. . .

SPOTLIGHT: THE VANQUISHERS

From Barnes and Noble:

Malika “Boog” Wilson and her best friends have grown up idolizing The Vanquishers, a group of heroic vampire hunters who wiped out the last horde of the undead decades ago. Nowadays, most people don't take even the most basic vampire precautions—the days of garlic wreaths and early curfews long gone—but Boog's parents still follow the old rules, much to her embarrassment.

When a friend goes missing, Boog isn't sure what to think. Could it be the school counselor, Mr. Rupert, who definitely seems to be hiding something?

Kalynn Bayron

Or could it be something more dangerous? Boog is determined to save her friend, but is she ready to admit vampires might not be vanquished after all?

No one ever expected the Vanquishers to return, but if their town needs protection from the undead, Boog knows who to call.

SPOTLIGHT: WUNDERSMITH

Morrigan Crow may have defeated her deadly curse, passed the dangerous trials and joined the mystical Wondrous Society, but her journey into Nevermoor and all its secrets has only just begun. And she is fast learning that not all magic is used for good.

Morrigan Crow has been invited to join the prestigious Wondrous Society, a place that promised her friendship, protection and belonging for life. She's hoping for an education full of wonder, imagination and discovery - but all the Society want to teach her is how evil Wundersmiths are.

And someone is blackmailing Morrigan's unit, turning her last few loyal friends against her. Has Morrigan escaped from being the cursed child of Wintersea only to become the most hated figure in Nevermoor?

Worst of all, people have started to go missing. The fantastical city of Nevermoor, once a place of magic and safety, is now riddled with fear and suspicion...
