

Vineland Public Library's

# Summer Reading Program

## ADVENTURE

### Prizes!

There will be prize drawings for children ages 12 & younger during our Tuesday Family Night Programs! Fill out a prize drawing slip each time you visit the Children's Department from July 1 through August 13.

BEGINS  
AT YOUR

LIBRARY

Our summer programs are all about STREAM (Science, Technology, Reading, Engineering, Arts, and Mathematics) learning and family fun this year. The theme this summer is "Adventure Begins at Your Library," and we're planning on making this a fantastic summer for everyone!

Check out our Link Tree under "Summer Reading Program for Children" for details on how to track your child's reading and register for programs!

Please see the other side for a list of our programs.

Registration opens  
**June 1st!**

Please note: Registration is required for ALL of these programs, as space and supplies are limited. Registration opens June 1st.

# Family Nights

Tuesdays from 6-7pm • Ages 12 & younger • Community Event Room

## JULY 9 - JAY JAY THE BUBBLE GUY

We're kicking off our Summer Reading Program with an interactive magic show featuring lots and lots of bubbles!

## JULY 16 - MAGIC SHOW FEATURING KEN NORTHRIDGE

Enjoy a comedy and magic show featuring a live rabbit, music and plenty of audience participation!

## JULY 23 - NJ WETLANDS: SEA CREATURES WITH AMAZING FEATURES

Enjoy a fun and interactive explanation of local sea animals, including but not limited to, their habitats, food chains and anatomy. Animals include sea stars, sea urchins, hermit crabs, spider crabs, green crabs, clams, sea snails, and a horseshoe crab.

## JULY 30 - TORI'S CRITTERS

Meet some interesting reptiles and other animals, and learn something new!

## AUGUST 6 - TALEWISE SCIENCE EXPERIMENT SHOW

Enjoy a treasure-hunting adventure deep within the jungle! The audience will help the performer act out the tale, as they use the events in the story to explore several exciting science concepts, such as air pressure, energy transfer, physical vs. chemical changes, and more! Volunteers will help conduct each experiment, and the whole audience can get involved in changing variables, making predictions, and comparing results!

## AUGUST 13 - RICK WATERHOUSE PUPPET SHOW

Enjoy a performance of "The Chef and his Dragon Adventure" and help King Rupert and Chef Alfredo save their kingdom from a dragon. This original interactive musical play is performed by entertainer Rick Waterhouse and a cast of puppets.
