**G**reg Geraci grew up in Vineland, New Jersey. He attended Vineland Public Schools and Cumberland County College and is a throwing coach for track and field at local high schools. He retired from his Geraci Painting and Design Inc. in 2012.

An avid researcher who is finding the truth about "Bigfoot" and other cryptids, Geraci has a YouTube channel called "Man of Light" with over 575 videos on his research over the years. He also has a Facebook page called "Bigfoot Truth." Check it out, and you will be amazed at what you see and hear.

His collection includes over 300,000 pictures of the "Spirit World," which consists of Apparitions of People, Heavenly Beings, Animals, Vehicles, and the Unknown.

Geraci has exhibited in the Millville Arts District, Cold Springs Village "Paranormal Weekend," and the Millville Public Library. He was awarded the Best Apparition Award of the Year in 2013. In 2014, his photography of the paranormal realms was featured in Un-X News Magazine issue #11, a magazine that studies the World of the Unknown. Geraci is internationally known for his work in the Spirit Realm field. He also has hundreds of Voice recordings from above relating to the future of Mankind.

Geraci feels he has a gift in his ability to relate to the "Spirit World," which has guided him to take the photographs that are displayed in this exhibit. He hopes this exhibit will demonstrate the inter-dimensional beings that surround us. They can't be seen with the naked eye unless they allow you to see them. He asks you to be the judge as to what you see.
